reporting. Lina, a young mother in  
suburban Indiana whose marriage has  
lost its passion, reconnects with an

*An English-Romanian and Romanian-English Cultural Thematic Dictionary*

Simona Şimon 2019-01-08

Globalisation has reshaped the face of the world, turning the society in which we live into a multicultural one. In such a new world, there is a strong need to master the culture-specific vocabulary in the languages we speak. This book will mainly appeal to translators, interpreters, students, and other professionals that work in the cultural field or in any other field in which intercultural communication plays an essential role, and in which the communication languages are English and Romanian. The dictionary approaches the

cultural aspects of today's multicultural society from a broad linguistic perspective, focusing on several topics, such as cultural ideology, national identity, cuisine, clothing, holidays, language and sports. The general and semi-specialised vocabulary offered here is organised thematically and alphabetically. The book structure, the pairs of languages and the included thematic lists make the dictionary a unique and easy-to-use tool.

Beyond the Rhetorics of Compliance

Anitta M. Hipper 2015-04-20 Anitta M. Hipper examines to what extent and under what conditions the EU's transformative power met with resistance in Romania. The book touches upon a raw nerve for most post-communist societies: justice and anti-corruption reform. Through the use of a context-sensitive approach, it assesses how domestic factors influenced the implementation of EU conditionality towards Romania from 1990 to 2012. Empirical investigations reveal a struggle between various interested parties in complying with EU conditionality. As a result, a complex layer of (non-)compliance emerged and it became a Herculean task to ensure the sustainability of reform by reformist forces within Romania and the EU. *New York State Agriculture and*
