one. In such a new world, there is a strong need to master the culture-specific vocabulary in the languages we speak. This book will mainly appeal to translators, interpreters, students, and other professionals that work in the cultural field or in any other field in which intercultural communication plays an essential role, and in which the communication languages are English and Romanian. The dictionary approaches the cultural aspects of today's multicultural society from a broad linguistic perspective, focusing on several topics, such as cultural ideology, national identity, cuisine, clothing, holidays, language and sports. The general and semi-specialised vocabulary offered here is organised thematically

and alphabetically. The book structure, the pairs of languages and the included thematic lists make the dictionary a unique and easy-to-use tool.

Economic Commission for Europe 2022

Beyond the Rhetoric of

Compliance Anitta M.

Hipper 2015-04-20 Anitta

M. Hipper examines to what extent and under what conditions the EU's transformative power met with resistance in Romania. The book touches upon a raw nerve for most post-communist societies: justice and anti-corruption reform. Through the use of a context-sensitive approach, it assesses how domestic factors influenced the implementation of EU conditionality towards Romania from 1990 to 2012. Empirical investigations reveal a struggle between various interested parties in complying with EU conditionality. As a result, a complex layer of (non-)compliance emerged and it became a Herculean task to ensure the sustainability of reform by reformist forces within Romania and the EU.

American women, based on nearly a decade of reporting. Lina, a young mother in suburban Indiana whose marriage has lost its passion, reconnects with an old flame through social media and embarks on an affair that quickly becomes all-consuming. Maggie, a seventeen-year-old high school student in North Dakota, allegedly engages in a relationship with her married English teacher; the ensuing criminal trial turns their quiet community upside down. Sloane, a successful restaurant owner in an exclusive enclave of the Northeast, is happily married to a man who likes to watch her have sex with other men and women. Hailed as “a dazzling achievement” (Los Angeles Times) and “a riveting page-turner that explores desire, heartbreak, and infatuation in all its
