scientific works of the scientists and researchers from Slovakia, Romania, Bulgaria, and Russia. The scientific articles are written in English and Slovak languages. The Language of the Arts and Literature Claudia Elena Stoian 2019-01-18 The arts and literature have always played an essential role in shaping the national identity of people around the world. In order to discover, understand, feel and appreciate the arts and literature of various nations, we need to master the local language. This dictionary brings into contact two cultures, namely the English and Romanian ones, by facilitating communication in the fields of visual and performing arts, and of literature as well. The Language of the Arts and Literature: An English-Romanian and Romanian-English Dictionary will help translators, interpreters, students, and other professionals that work in the field of culture in general, and of the arts and

literature in particular, to communicate in English and Romanian. Designed as an easy-to-use tool, this book is unique regarding its pair of languages, and its broad perspective and innovative structure.

examines to what extent and under what conditions the EU's transformative power met with resistance in Romania. The book touches upon a raw nerve for most post-communist societies: justice and anti-corruption reform. Through the use of a context-sensitive approach, it assesses how domestic factors influenced the implementation of EU conditionality towards Romania from 1990 to 2012.

with EU conditionality. As a result, a complex layer of (non-)compliance emerged and it became a Herculean task to ensure the sustainability of reform by reformist forces within Romania and the EU.

Treaty Series 2302 United Nations Office of Legal Affairs 2011-09-13 In accordance with Article 102 of the Charter and the relevant General Assembly Resolutions, every treaty and international agreement registered or filed and recorded with the Secretariat since 1946 is published in the United Nations Treaty Series. At present, the collection includes about 30,000 treaties reproduced in their authentic languages, together with translations into English and French, as necessary. The Treaty Series, where treaties are published in the chronological order of registration, also provides details about their subsequent history (i.e., participation in a treaty, reservations,

amendments, termination, etc.). Comprehensive Indices covering 50-volume-lots are published separately. A Standing Order service is available for the Series and out-of-print volumes are available on microfiche.

SYROM 2009 Ion Visa 2010-03-23 SYROM conferences have been organized since 1973 by the Romanian branch of the International Federation for the Promotion of Mechanisms and Machine Science IFToMM, Year by year the event grew in quality. Now in its 10th edition, international visibility and recognition among the researchers active in the mechanisms science field has been achieved. SYROM 2009 brought together researchers and academic staff from the field of mechanisms and machine science from all over the world and served as a forum for presenting the achievements and most recent results in research and

education. Topics treated include conceptual design, kinematics and dynamics, modeling and simulation, synthesis and optimization, command and control, current trends in education in this field, applications in high-tech products. The papers presented at this conference were subjected to a peer-review process to ensure the quality of the paper, the engineering significance, the soundness of results and the originality of the paper. The accepted papers fulfill these criteria and make the proceedings unique among the publications of this type.

An English-Romanian and Romanian-English Cultural Thematic Dictionary Simona Șimon 2019-01-08
Globalisation has reshaped the face of the world, turning the society in which we live into a multicultural one. In such a new

world, there is a strong need to master the culture-specific vocabulary in the languages we speak. This book will mainly appeal to translators, interpreters, students, and other professionals that work in the cultural field or in any other field in which intercultural communication plays an essential role, and in which the communication languages are English and Romanian. The dictionary approaches the cultural aspects of today's multicultural society from a broad linguistic perspective, focusing on several topics, such as cultural ideology, national identity, cuisine, clothing, holidays, language and sports. The general and semi-specialised vocabulary offered here is organised thematically and alphabetically. The book structure, the pairs of languages and the included thematic lists make the dictionary a unique and easy-to-use tool.

relationship with her married English teacher; the ensuing criminal trial turns their quiet community upside down. Sloane, a successful restaurant owner in an exclusive enclave of the Northeast, is happily married to a man who likes to watch her have sex with other men and women. Hailed as “a dazzling achievement” (Los Angeles Times) and “a riveting page-turner that explores desire, heartbreak, and infatuation in all its messy, complicated nuance” (The Washington Post), Lisa Taddeo’s *Three Women* has captivated readers, booksellers, and critics—and topped bestseller lists—worldwide. Based on eight years of immersive research, it is “an astonishing work of literary reportage” (The Atlantic) that introduces us to three unforgettable women—and one remarkable writer—whose experiences remind us that we are not alone.
